A wonderful new gated condominium in Tavira, considered the most beautiful and picturesque town in the Algarve. It has an amazing combination of historical and cultural heritage, quality of life, gastronomy and magnificent island beaches nearby.

Townhouse due to be completed in summer 2024 featuring its own private pool and underground designated parking space. This is an extremely rare combination, especially given the location so close to the ancient castle in the centre of town. There are 13 units in total. Unit A4 is 133m² and has a 53m² terrace; unit A5 is 133m² and has a 59m² terrace. The living area has large windows to allow the natural light of the Algarve to flood in.

Every unit has a contemporary architecture with simple and pure forms and is divided between two floors and a rooftop terrace where the low-depth heated pool is located.

The finishings will be completed to a high standard and include wooden framed double glazing, underfloor heating, Bosch air conditioning, and a domotic system for home automation.

The feature(s) equipment(s) mentioned in this description are subject to verification and agreement between the vendors and buyers. EPC:B - REF: TVR7329A4W
