A charming country cottage, fully refurbished and modernized, nestled in a serene yet accessible area near a seasonal river.

The property is accessed via a short dirt road leading to a quaint hamlet, where this house is the penultimate in a private and picturesque location.

This detached home features four bedrooms and two bathrooms. The custom-built kitchen is open plan, leading into a spacious living room with a wood burner. There is a large entrance lobby and an additional spare room kitchenette. The house can easily be converted into two separate, self-contained units, each with two bedrooms. Additionally, the property includes a 27m<sup>2</sup> garage and an annex of 60 m<sup>2</sup> that can be utilized for various purposes.

Surrounding the house are several terraces, one of which is equipped with a pizza oven and barbecue. The rear garden has been developed to include a beautiful swimming pool heated by solar panels.

Energy is supplied to the property through photovoltaic panels, a battery power plant, and a three-phase mains supply. The hot water system is primarily solar-powered, with a gas boiler backup for overcast days, making the property largely self-sufficient. Heating is provided by a central radiator system.

This naturally beautiful area is quiet and safe, with the river and nearby mountains offering excellent opportunities to observe and explore nature. It is only a few kilometers from Santa Catarina da Fonte do Bispo, where you can find shops and restaurants for your daily needs. Russell-Decoz Lda is pleased to exclusively present this special property to the market.

Additional features: The garden boasts a variety of fruiting trees, including Carob, Olive, Almond, Pine, Orange, Lemon, Lime, Grapefruit, Tangerine, Fig, Loquat, Tree strawberry, Apricot, Peach, Pomegranate, Plum, Quince, Pitanga, Mulberry, Pepper, and Palm.
