Offered all on one level are spacious open plan living room /dining room and fully fitted kitchen, 2 double bedrooms and a bathroom. The fitted kitchen hosts a built-in oven and electric hob. The property has been built and finished to a high standard including double glazed windows throughout and the installation of aircon heating/ cooling in all rooms. The fully fenced plot of 10,000m2 land is relatively flat and access is excellent via an electric gate just a few metres from a quiet, tarmac road. It is planted out with a variety of fruit trees. The property has the OCA license for up to 5 horses and the current owners have developed an excellent equestrian facility including horse shelter, tack room, hay store and exercise yard and from the property one can trek out to the Andalucian countryside. Mains electricity, high speed internet and community drinking water are all connected to this property. Viewing highly recommended.
