توضیحات:

Apartment on the 1st floor at the front, diagonally right above the entrance. Equipped with 2 bedrooms and 2 bathrooms, of which the master bedroom has an en suite bathroom. The apartment looks out onto a small park. This is a small-scale project with 30 apartments and a unique modern architectural construction. Of course there is a communal swimming pool and you can opt for a parking space (optional).

Both bedrooms have fitted wardrobes. There is also a separate laundry room on the balcony for the washing machine, dryer and boiler. Of course, the apartment is equipped with electric shutters and a luxury kitchen with A-brand appliances is included in the price.

Within walking distance you will find some of those typical Spanish bars where you can enjoy tasty tapas for a low price. Hamilton's bakery and supermarket are within walking distance. The location is in one of the best areas of Benijofar. There is something to do in Benijofar all year round and it is close to arterial roads. You can escape the hustle and bustle or easily reach one of the many golf courses, the beach or Torre Vieja. The municipality of Benijofar also has a large open-air swimming pool that is open in the summer, tennis and paddle courts that you as the owner can use.
