توضیحات:

This Townhouse with a great location, and a great view, is just a short 2-3 min walk to the sandy beach. Enjoy the lovely landscaped garden and community pool along with a cozy little cafe and coffee shop. A few kilometers drive into town. Less than 10 Minutes to Market village shopping center, with many restaurants and shops. Enter the townhome and you are in the living room, then you drop down to the dining room and kitchen, with rear access door out to the back porch. There is a guest bathroom on the first floor. Continue on to the 2nd floor, and you have a nice size bedroom, with a private balcony with pool view and ensuite bathroom. Then on the 3rd floor, you have the master bedroom, with a big private balcony & sea view and ensuite bathroom.
