توضیحات:

A Venetian Tower of 296 sq.m. , dating from the 14th Century, is available for sale at Kournochori, Naxos.

The Tower hulks above the village at the top of the hillside, and because of its location and position seems to dominate the valley.

It consists of three levels.

The first level is being used as a storage space. A hatch joins this level with the second one.

For the progression to the second level, you have to cross the courtyard that leads to the belvedere and the great main entrance of the second level.

The second level, consists of a salon, a bedroom, a kitchen and a bathroom. In the big salon there is a wooden staircase that leads to the third level.

The third level consists of two bedrooms and a bathroom. It also has a flat roof with unobstructed view.

The total area of the plot is 363 sq.m.

It needs partial renovation.

The distance from Naxos Town is 9 km.
