These brand new apartments are currently under construction situated only a 3 minute walk from the beachfront in the Canarian town of Playa San Juan. They will be ready for occupation at the end of 2025. The building will have eight bloques, each bloque having six apartments and a heated comunal pool on the roof terrace.

The apartments will come with top quality fixtures and fittings in both the kitchen and bathroom, the ground floor apartments have a large terrace of approx 24m2 whilst the higher up apartments have balconies.

Playa San Juan is an up and coming area where you can enjoy one of the best beaches on the island and a plethora of bars, restaurants all having very good prices. The new motorway extension has been completed so now from this area it is very easy to get to all areas of the island, something which no doubt will influence property prices here as access to the area will be greatly improved.
