توضیحات:

This great little house, completely renovated at the turn of the year 2022/2023, oozes quality and style.

With a living area of 60 sqm, the home has been upgraded to an impressive standard. The clean design gives a sense of modernity and makes it easy to keep it tidy and clean. Plenty of cupboard and drawer space ensures practical storage and a spotless appearance.

Living space: 60 sqm with a stylish finish and upgraded facilities. Rooms: Two comfortable bedrooms and a modern bathroom. Air conditioning: Three AC units for optimal temperature control. (bedroom and living room). Solarium : A very spacious solarium of 55 square meters for sunny days and relaxation. Garden: Private, tiled garden of 30 sqm - perfect for relaxation and social gatherings and opportunities for personal decoration. Outdoor storage: Practical outdoor storage for extra storage of equipment and tools.

Fantastic Common Areas: By the pool area you will find large, green areas that invite relaxation and recreation. Both adults and children can enjoy a large pool and a separate children's pool. The beautifully landscaped area with real grass also has a small park, which provides a perfect setting for quiet walks and safe play activities.

This is truly a home that combines aesthetics, comfort and practicality in the best way.
