Barn to completely renovate (walls, gables, roof) of approximately 70m² on the ground on a plot of 865m², located on a pretty plateau in the Castelloubon valley, located at an altitude of 700m with a stunning view. Water drawn upstream from a communal plot serves the barn accessible by 4x4 over the last few meters (less than 200m).

The department of Hautes-Pyrenees is the southern-most department of the Midi Pyrenees region, its capital being the beautiful town of Tarbes. The department has a very interesting geography as two small sections belonging geographically to Aquitaine are administratively part of the Hautes-Pyrenees.

The department is split into two very different landscapes: mountains to the south covering half of the department, valleys to the north where the majority of the towns and villages are.

The economy of the department is mainly agricultural and tourism. Inside Midi Pyrenees, smaller areas have traditional names such as the Comminges (east of Toulouse) or the famous Gascony.

Hautes-Pyrenees is a very nice area to settle and one area to look out for (not very well known) is the Baronnie, a set of 30 villages which decided to preserve their rural traditions. An unspoilt area, they represent the rural idyll for anybody in search for absolute peace, authenticity and rest.
