توضیحات:

This stylish Finca is located in an idyllic secluded location on a plot of 9000 m2. Thanks to the elevated position, there are breathtaking views of the hills and mountains. Through a solid wooden door, you enter a bright room, which is currently used as a dining area. From there you enter the fully equipped kitchen, which has access to the terrace. On the other side of the dining area is the light-filled living room with a fireplace. Through a glazed patio door, you enter the outdoor area. Since the covered terrace goes over one corner of the house, you have space for a table, as well as sunbeds and a lounge area. Thanks to the southern exposure, there are many hours of sun. The Finca has four spacious bedrooms. The master bedroom has a bathroom ensuite. In addition, there are two more bathrooms. In all bathrooms there is underfloor heating and in two there are bathtubs. The windows are double glazed. There are solar panels. There is also space to build a pool. We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world, it is unique - just like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
