-We present an exceptional 900 m² industrial warehouse, located in a privileged location along the Bilbao Galdacano national road. This space offers an ideal environment for various commercial and industrial activities, thanks to its functional design and accessibility.

The warehouse has three wide entrance gates, which facilitate the loading and unloading of goods. In addition, it has two bridge cranes with a capacity of 3 tons each, allowing maneuvers with heavy loads to be carried out safely and efficiently. With interior heights of 5 and 6 meters, the space is perfectly suited to different configurations and operational needs.
