توضیحات:

In the initial phase of construction with an expected end date of construction in 2026.  
The property will be ideal both for permanent residence and for enjoying a holiday home.  
The night space consists of a large bedroom with built-in wardrobe and a suite with Walk-in Closet and a private bathroom, both with access to the outside.  
The house will have a fully equipped kitchen, with modern and high quality finishes in an open space concept with a spacious living room, designed to optimize natural light and provide a feeling of spaciousness and comfort, with access to the outside.  
A communal bathroom.  
The garage is designed to accommodate one car.  
The exterior of the villa was carefully designed to offer an environment of leisure and tranquility, including a swimming pool, solarium area, shower and a garden with irrigation system, which complement the natural beauty of the place.

Located in a quiet and picturesque area, this house is just a few minutes walk from all the services and amenities of the center of Porto Santo, being the perfect refuge for those looking for peace and serenity while being close to the essentials.

This is the perfect opportunity to invest in your new dream home.
