The house has a private swimming pool and photovoltaic solar panels for the electricity supply. #13; #13;

There are several rustic plots to choose from in different locations, each with a different price (in the prices published in this advert a plot with a value of 40.000 eur has been considered, if the buyer chooses another plot, the final price will be recalculated accordingly). #13; #13;

The delivery period is 8 months from the granting of the building licence. #13; #13;

It is acquired under a self-promotion regime: the buyer makes payments on account of the price as the builder executes the work.
