This fantastic penthouse flat is located in the luxury urbanisation Marjal beach 2 in Guardamar del Segura. The flat is an amalgamation of 2 flats (is described this way in the Escritura). The Apartment consists of 2 full bedrooms with ensuite bathrooms, both have fitted wardrobes with safe. The main bedroom has a dressing room and a private balcony. 

A very large living/dining room with a large open kitchen (with lift for taking food and drinks to the solarium) and there is a 2nd balcony accessible from the living area. There is also a separate guest toilet. From the living space you will find the stairs leading up to a laundry room (where all appliances are hidden away in cupboards) and to the huge solarium. 

On the solarium there are 2 covered areas, 1 with lounge and 1 with dining table and chairs. In the middle of the solarium there is ample space for sun beds. There is also a storage room here.  There are beautiful sea views from both balconies and the solarium.
