A new project consisting of 69 Townhouses and Semidetached houses!

The project is located in El Chaparral, Mijas, and offers south facing properties with stunning views of the Mediterranean Sea. The surrounding area is full of natural beauty and stunning golf courses and, of course, the beach is only minutes away.

The interiors of these new homes offer a flowing, open-plan design and seamlessly connect their indoor and outdoor spaces. The fitted kitchens are equipped with brand name appliances and offer a functional yet elegant space.

Bedrooms and bathrooms are spacious and bright thanks to the orientation and large windows.

The homes incorporate security features such as armoured doors and video intercom. The garage doors open by remote control and are equipped with mechanical protection and ventilation systems.

The generous terraces are perfect spaces for relaxing or entertaining, making the most of the Costa del Sol sunshine.

The communal areas include a large swimming pool with solarium, gymnasium, sauna and Turkish bath, a
