Contemporary Detached House by the Coast, well located in a very quiet environment, close to the coastal paths, it will satisfy a large family. Located on a wooded and enclosed plot of 2200 m2, this contemporary house with clean lines offers you:

- Ground floor: a beautiful entrance with cupboard, a toilet, a bathroom and an office. You will then be welcomed by a large living room equipped with a fireplace (insert) for your winter evenings opening onto a south-facing terrace and opening onto a fitted and equipped kitchen. A utility room, a laundry room and a garage complete this property.

- Upstairs: a landing serves four bedrooms, each with access to a loggia for a panoramic view.

This house benefits from underfloor heating and excellent services.

A property to absolutely discover.

The department of Finistere has a feeling of being carved out of the earth by the sea and is the wildest area of Brittany, it is also the most western of all French departments. The name Finistere comes from the Latin phrase 'finis terrae', meaning 'land's end'.

It has the English Channel to the north, Cotes-d'Armor and Morbihan to the east, the Bay of Biscay to the south and the Atlantic Ocean to the west. Quimper, the department's capital, is located to the south and has a distinctive Breton character just like all the main towns such as Brest, Chateaulin, Morlaix and Quimper. Over a third of the area is covered with forest, moors and scrubland.

Along the coast, farmers divide their time between commercial fishing and working their small farms. To see the Fish-markets, Douarnenez is worth a visit as is Brest which is on the west coast and is also a major naval port.
