توضیحات:

NEW BUILT CHALETs IN VISTAHERMOSA (ALICANTE)

Chalets with 4 and 5 bedrooms, located in the privileged residential area of Vistahermosa Norte.

Avant-garde architecture integrated into its environment: So that you can enjoy your new home even before entering it, the residential offers a differentiating and modern architecture signed by Ramón Esteve Estudio. The team of professionals that make up this office of architects proposes in your urbanization a set of refined and straight lines with spacious, comfortable interiors and with great prominence of natural light.

Personalization options: allows you to configure different aspects of the distribution, finishes and options of your home. Adapt your new home to your tastes and preferences and create the environment you have always wanted.

Your villa near the center and the sea: In the surroundings of the residential you can find all kinds of services; schools, health centers, hospitals, sports centers, supermarkets, etc.

The residential is located just 10 minutes from the center of Alicante and perfectly connected also by urban bus line 10 and with direct access to Avda. De Denia, the main artery that connects both with the center of Alicante and with the area of Beaches such as La Albufereta or La Playa de San Juan.
