Apartments located in a privileged place with excellent communications and services that will make your life much more comfortable.

Located in the middle of the Costa Blanca, Alicante is one most important tourist destinations in the Spanish east coast.

The many golf courses, along with the tranquil waters of the Mediterranean Sea, are part of the appeal of this beautiful harbour city, which sits at the foot of the Castle of Santa Barbara, a silent witness to the numerous civilisations to have settled here.

The coastline is, without a doubt, the favourite recreational spot for the people of Alicante. The Explanada de España promenade, located across from the port, is a lively boulevard dotted with terraces and pavement cafes.
