ABOUT THE AREA

It's the opposites that attract in Bangkok. In Thailand's capital, longtail boats float across the Mae Nam Chao Phraya River while Mazdas speed along 12-lane motorways. You'll see Buddhist temples in the shadows of skyscrapers. And you'll find hectic markets around the corner from one-in-one-out designer boutiques

The Grand Palace

Add the city's diversity to its 602-square-kilometre size and it's easy to see why sightseeing schedules are fully loaded in Bangkok. A visit to the Grand Palace tends to top most visitors' itineraries. This 53-acre palace was once the home of the Thai king, and it's landscaped with golden chapels, formal gardens and throne halls.

China Town

Chinatown is another must-see. This one-mile strip is lined with Thai temples, a cryptically named Thieves' Market, and some of the best street food stands in the city.

Multi-Destination holidays to Bangkok

-If you're stuck deciding between the bright lights of Bangkok and a tropical Thai beach, a Multi Destination holiday's your answer. Pairing up two or more places, they let you explore Thailand's bustling capital and spend some time on the sand, in the likes of Khao Lak or Phuket
