Set amongst the stunning surroundings of the Montgo natural park, at the end of a tranquil Cul de sac lane, this beautifully renovated 4 bedroom Finca offers expansive open country side views with close proximity to the Quaint bohemian village of Jesus Pobre.

Located on a private secure plot of over 2500m approached by a sweeping drive way, the elevated position of the property ensures privacy. There is plenty of off road parking along with car port and garage. The low maintenance Mediterranean garden and pool area is surrounded by park land and pines offering an open vista.

The main living offers single level living with generous sized room proportions. A beautiful high spec kitchen leads to the summer kitchen terrace and living/dining room and Naya, whilst the 3 good size main family bedrooms are accessed by hallway. There are various terraces, covered and uncovered to relax and take in the gorgeous views. On this floor we have the pool terrace on the west, with further covered terrace to take in the evening sun.

On the lower floor there is an independent 1 bedroom guest apartment with kitchen and living room. Recently tastefully renovated the property benefits from new A/C heating and cooling and is powered by a large capacity Solar system and batteries. Offered turn key fully furnished this property makes the ideal all year round family home or holiday residence.
