Star Ready to Move Homes specializes in creating high-quality ready-to-move (RTM) homes and cottages for customers in Manitoba and Saskatchewan. Our homes are designed with premium features, including plywood subfloors and roofs, as well as fully sealed windows and doors, ensuring durability and comfort.

All our homes are covered by the National Home Warranty program and are inspected at key stages by internal quality control staff and independent building inspectors to maintain high standards of construction. We also provide a range of customizable designs and the flexibility to modify existing plans or develop entirely new ones through our in-house drafting team. Customers are invited to explore our display homes, where they can experience the quality and craftsmanship we offer. Our experienced sales professionals are committed to supporting you throughout the home-buying process, making it a seamless and enjoyable journey. At Star Ready to Move Homes, we prioritize quality, reliable service, and personalized designs to deliver homes that meet your unique needs and vision. For more details, visit us at
