We are pleased to present to you this amazing business opportunity in the heart of the popular town of Ciudad Quesada, a bustling urbanisation with all year round permanent residents. The town is well connected to the motorway and Alicante airport and is a hot tourist destination for the summer months. This well established bar, restaurant and social club has been operating for decades, with a proven track record! During the winter months the calendar is packed with social events held in the large dining hall with stage, including tribute acts from the UK, quizzes, private events, theatre meetings, and aerobics classes.

The summer months see the club open its doors to those wanting to use the large swimming pool in the day, with the bar and restaurant open, and the current owner also holds water aerobics classes in the mornings which are very popular! There is a mini golf pitch, and outdoor kids cinema in the summer, and the large top terrace also has a stage where there are music and entertainment evenings. The sale of the business comes with all the current bookings so any new managers have a business which is established and ready to go!

More information about the price, inventory and turnover can be provided on request.
