	توضیحات:

Two-bedroom apartment: large, with excellent views, unobstructed views from all rooms, with sun exposure (south facing) and very quiet. With parking space/garage (can be closed).

It is an apartment with excellent thermal and acoustic insulation, silent, with great overall thermal regulation (very warm during winter, very cool during summer). It overlooks the Este River and you can hear the rushing water and all the nature surrounding the river (birds and natural wildlife). It also has views of Bom Jesus, Sameiro and Monte Picoto, Monte de Sta. Marta and the entire mountain range surrounding the city of Braga.

It is next to Ecovia (pedestrian path) and 10 minutes from the city center. There are supermarkets, restaurants, gyms, pharmacies, medical clinics, pet shops and banks in the region (1min), it is very well served by Braga's public transport network in the vicinity.
