YOUR DREAM HOME presents a 5 bedroom 2 bathroom villa in a desirable location, close to the Campanario shopping centre and within a 10 minute walk to the nearest beach. This home offers an ideal combination of space and location, perfect for a family residence with all amenities close by. The house is competitively priced for a re-model and modernization, but has huge potential for anyone looking for a home to make their own.

The villa has a constructed area of 250m² on a 300m² plot.

On the lower floor is a good size independant fully fitted kitchen, a large open lounge, 3 bedrooms, a full bathroom and a large storeroom with washing machine and sink.

Upstairs, you will find a very large open area, currently being used as an office, but would make a wonderful lounge with large windows to enjoy the natural light. There are 2 further bedrooms, a full bathroom and a very large sun terrace. There is a private driveway and garage at the side of the house.

The house is located on a quiet cul de sac.

The large garden runs around 3 sides of the house, this has massive potential to be an amazing space with room for a swimming pool if desired, mature fruit trees grow at the back area.
