Set in a peaceful residential area near the charming town of Alvor, this 3-bedroom villa combines traditional elegance with modern comfort. The cobbled stone driveway leads to a mature garden and an infinity pool, offering a serene and private retreat.

The entrance level features two spacious bedrooms, a shared bathroom, and an unique garage conversion that now serves as a self-contained one-bedroom apartment with a fully equipped kitchen. On the lower level, the expansive living and dining area is bright and airy, with high ceilings and a cozy log burner. The master bedroom includes an ensuite bathroom, a dressing area, and direct access to the covered terrace overlooking the pool. The villa also has a fully equipped kitchen, laundry room, and guest toilet.

This property comes with high-end features such as air conditioning, a borehole, central heating (oil and solar-powered), a log burner, and a central vacuum system. Double-glazed windows, aluminum shutters, and heated towel rails ensure comfort and energy efficiency. The spacious covered terrace is ideal for outdoor dining, while the infinity pool and lush garden offer a tranquil setting for relaxation or entertaining.

Whether youre looking for a luxury home or a smart investment, this villa is a standout choice.
