توضیحات:

This new development is a fantastic investment opportunity in the city centre - Beziers is one of the great recent success stories with the rehabilitation of the centre and surrounding quarters. This has fuelled an increase of more than 8% for the m2 each year since 2020. The apartment can be rented out and would be especially lucrative with the holiday rental market.

The purchase of the property would be paid in installments, and has tax advantages for those fiscally resident in France.

Flat M - T3 - 54.22m2 - Apartment M is a T3 apartment on the ground floor.

Dwelling M is a T3 located on the ground floor +2. Access to this single dwelling on the landing is via the staircase located in the east side of the building.

A children's bedroom adjoins the entrance area, which also has a shower room and separate WC.

Access to the second bedroom is via the living room.

The house faces east/west.

There is a communal garden where you can admire the magnificent sunsets.

Information on the risks to which this property is exposed is available on the website Georisques
