Located in the heart of the village of Pomerols, this beautiful renovated stone house offers generous living spaces and much more! The central courtyard serves an independent studio, the entrance to the house and a 140m2 space that offers a number of possibilities: professional activity, reception room, exhibition room, show or cinema (all the technical elements are already in place)... The first floor has a bedroom, a master suite and two attic bedrooms, office, bathroom, large kitchen, spacious living and dining room with south-facing terrace. The second floor has an independent studio. In addition to the aesthetic and historical aspect of this house, it represents the advantage of an energy expenditure A and B.

Each volume has been optimised to create a comfortable and cosy environment!

Information on the risks to which this property is exposed is available on the website Georisques
