This charming two-story townhouse is located in the Los Altos urbanization in Torrevieja and stands out for its functional design and well-distributed spaces. With a built area of 62 m² and a plot of 38 m², it offers a comfortable and bright environment thanks to its southwest orientation.

On the ground floor, the property features a spacious living-dining room connected to an independent kitchen. It also includes two bedrooms with built-in wardrobes and a full bathroom. Outside, there is a private garden and a covered terrace, perfect for enjoying the outdoors.

On the first floor, there is a third bedroom with an en-suite bathroom, providing greater privacy. This floor also includes a large solarium terrace with multiple possibilities for use, ideal for relaxation or even setting up a chill-out area.

The property is part of a residential complex with a communal swimming pool and is located just 2 km from the sea, allowing quick access to the beaches of Torrevieja. The Los Altos area is a quiet residential neighborhood with a wide range of services, including supermarkets, restaurants, and shopping centers, making it an ideal option both as a permanent residence and as an investment on the Costa Blanca.
