#### Description:

Take the steps flanked by wrought-iron rails, lined in period Victorian black and white tiling. Find a traditional front door topped by a handsome arched transom window, drawing light into the entrance hall beyond. High ceilings reach up, exemplifying the character and heritage of this stunning Victorian Terrace.

Turn right into the living area, a quiet and tranquil room set in warm tones. Extending from front to rear, light emanates the room from beautiful large windows. Step down to the lower ground floor, where tiles underfoot are warmed by underfloor heating. Through to a kitchen with a contemporary twist, homely yet stylish. Find light units sat beneath contrasting work surfaces, this kitchen has all the space for your culinary essentials.

Take the stairs back up to the ground floor and further stairs to the first floor, pause on the half landing and find a handy WC. Arriving at a modest landing and home to 3 stylish double bedrooms. Step onto the sumptuous carpet and feel the luxury this home possesses. Peep through into the family bathroom, where black and white contrasting tiles create a modern and fresh look.

Ascend one more flight of stairs to reach the third floor, home to the master bedroom. Emerge into this bright room, featuring a balance of original beams and contemporary touches finished with a beautiful

ornate fireplace.

Outdoors, a South-facing walled courtyard garden beckons. Park your car on the space to the rear.

A home of deceptively spacious design, truly flexible in its functionality. This charming Victorian Terrace is the perfect blend of character and glamour leaving a captivating impression.

The vendor loves: A beautiful period home, a stone's throw from the town centre.

We love: With bags of space and loads of character, this home will tick many boxes for a growing family!
