Description:

REDUCED in price - Original and atypical property with its wooden house nestled in the middle of a 3.2 hectares of wooded parkland with lakes in a quiet area and without neighbours.

Outside you will find a second independent house with a potential of 72 m² to convert (shell and windows already done), a garage of 42 m², as well as a wooden chalet serving as a second garage, and a shed.

The whole on a magnificent closed and wooded parkland of 3.2 hectares decorated with 2 lakes for approximately 1 hectare of lakes and a golf course.

A real corner of paradise without any nuisance.

The department of Mayenne is part of the Pays de la Loire region at the crossroads with Brittany and the rest of inland France, the department is less discovered than its neighbours and the main town of Mayenne and Laval are worth a visit.

Charming villages are dotted around the countryside and make for interesting property hunting, it has long been the forgotten gem in North-west France so property prices are lower than in Normandy and Brittany.

The countryside offers nature reserves with interesting places to visit, the land being covered with large forests and panoramic countryside.

Paris is not far either and from Laval you can be in the centre of the capital via the TGV (high speed train) within 90 minutes. It is quickly accessible through airports, train stations and motorways.
