Description:

In the Uribarri neighborhood, in a very populated area and with a lot of commercial bustle, we find this 100 m2 double store fully prepared to carry out any commercial activity. These are two united premises with a double facade and a large back room suitable for setting up any business. It is possible to segregate it into the two original markets to carry out two different activities.

It should be noted the breadth of the showcase that occupies the entire facade. The part of the back room also has windows to the street, thus favoring the ventilation of the premises while providing natural light.

In the case of rent, a two-month deposit is requested. - REF: Begoña 510050
