The property has been renovated, also following anti-seismic regulations, and it is ready to be moved into. It maintains the original elements and characteristics.

On two floors, it features a hallway, living room with fireplace, family kitchen, study room, bathroom and a 40 sq m covered porch, ideal for al fresco dining.

On the first floor, with access through internal staircase, there are two double bedrooms and two bathrooms.

The house also includes a basement with storage room and utility room.

The property is surrounded by 7,000 sq m of land, partly steep and partly levelled, with several plants and olive trees.

The property is near the hamlet of Viepri, where there are no services with the exception of a nearby
