Description:	
Location:	Zadarska županija, Posedarje, Posedarje.

Two attractive building plots for sale on the Adriatic Highway at the main entrance to Posedarje. The area of the smaller land is 871 m², and the area of the larger plot is 1454 m². They are sold together and are of a regular shape.

The land has great potential given the location at the entrance to Posedarje and can be used for tourist purposes in the form of a camp, holiday home or private house with a large garden.

The water connection with its own meter is in the field and the electricity connection is located near the land.

A great advantage, in addition to the proximity of the sea and the center of Posedarje is the immediate vicinity of the highway only 1 km away.
