Description:

Santo Estevao, situated north of Tavira in the East Algarve, is a small village that offers limited amenities but covers daily necessities. Tavira, a historic coastal city, is the nearest location for weekly shopping, beach access, cultural activities, schools, and excellent restaurants.

The quinta, originally constructed before 1951 with natural stone walls, has undergone a complete refurbishment in the past year. It now includes new electrical and water systems, double glazing, a newly fitted kitchen and bathroom, and a new cobblestone courtyard with a pergola, floors and more.

This charming ground-level property features an air-conditioned open-plan sitting room with a fitted and equipped kitchen and dining area, two air-conditioned bedrooms, and a family shower room. The property also offers excellent access, and off-road parking within the gated plot.

The energy certificate does not reflect the current conditions of the house
