#### Description:

Glyfada (South), duplex on the 2nd and 3rd floor with a total area of 161 sq.m.

On the first level (91 sq.m.), there is an open-plan space consisting of a living room, dining area, and kitchen, along with a WC and a spacious bedroom with an en-suite bathroom.

The unified living area seamlessly connects to a large veranda through a generous opening, creating a spacious covered area that combines the two spaces.

The internal staircase leads to the upper level (70 sq.m.), with two bedrooms, each with its own en-suite bathroom and an office space.

The property includes 1 parking space with EV charger and a storage room on the basement level.

The duplex is part of a five-story modern building of high architectural aesthetics, built to high specifications and classified as energy class A+ (underfloor heating, use of heat pumps, net metering, provision for electric vehicles at the basement level, etc.).

Located in the heart of the Athenian Riviera, close to Glyfada's central market and the coastal promenade.
