Description:

Rarely do you find a property like this in Lisbon.

A house? A building ? A quadriplex apartment? In reality, all of this can apply.

Currently, the entrance floor comprises an hallway, a library office, bathroom (with shower), and a kitchen with a dining area and pantry.

Going down one floor, we reach the excellent social area, a large space measuring more than 45 m², high ceilings, a guest bathroom and access to the magnificent terrace, with open views. This outdoor area is more than 70 m², including a pergola and a barbecue.

Climbing the flight of stairs leading from the entrance hall, we reach the 1st floor, where we find two bedrooms to the rear (one with a balcony), a complete bathroom (with shower) and the master bedroom, with a large wardrobe.

In the attic, a multipurpose space with great areas, we currently have a bedroom with a dressing area and office. Two Velux windows provide profuse lighting for this room.

Some other features:

- All windows with double glazing and shutters or blinds
- Air conditioning on the 1st floor and attic
- Central heating in the basement, ground floor and 1st floor
- Equipped kitchen
- Solar panels for hot water
- Possibility of installing an elevator at the rear of the Property
- Possibility of using as T1 (ground floor and basement + terrace) and T2 (1st floor and attic)
- Good condition
- Easy street parking

If you are looking for a true family home, without the inconveniences associated with sharing a building with other condominium owners, here is the perfect solution.
