It is a rustic plot of land, with practically flat soil, which is located in the Areeiro area between Almancil and Loulé.

Currently this land is partially fenced.

Access is via a tarmac road to a distance of about 30 meters from the site.

After this distance, the remaining path to the land is on dirt.

Since it is a rustic land, no construction is allowed.

However, this land can be used for the purpose of monetization through the placement of promotional

billboards.

It can also be a good option for setting up a shipyard.

In addition, it is also possible to explore activities related to agriculture, ecology, play, among others.

This land has an area of 909 m².

It does not have an electricity, water and gas connection to the network.

It is only 3km from the cities of Loulé and Almancil, 15km from the city of Faro, the airport and the beach.
