Description:

In the heart of the picturesque village of Hortinhas, parish of Terena, municipality of Alandroal, we present what may become one of his life projects.

A great investment, which can be transformed into your perfect getaway in the heart of Alentejo or a differentiating Local Accommodation unit.

Properly integrated in the center of the village, this property consisting of a 1 bedroom house, 1 outdoor kitchen and an old stable is located on a plot of 725m² with a layout and configuration that presents a set of possibilities from the point of view of rehabilitation that can transform it into a unique space.

Located 2 km from the historic center of Terena, an important fortification in the Portuguese border defense in which its Castle was part of the Guadiana defense line, 19km (20 minutes) from the River Beach of Azenhas D'el Rey, 15km (15 minutes) from the village of Alandroal, the county seat where you can find all the services, such as: Health Center, Pharmacy, Post Office, Finance, Social Security, Firefighters, GNR, Etc... It is also 27km (28 minutes) from the village of Monsaraz and 25km (24 minutes) from Vila Viçosa.

We are facing a property that has an excellent local centrality and is located about 2 hours from the city of Lisbon. The quality of life motivated by the low population density, the tourism sustained by the paradisiacal landscapes and the tranquility of the Alentejo make this region one of the best regions in Portugal to live in and one of the best in the world to invest.

It is a region full of advantages and opportunities, attractive not only for tourists, but also for national and foreign investors. If you still have doubts, we present you with some reasons that can help you in the decision-making process The Climate: The climate of the Alentejo Region is the hottest in Portugal. Minimum temperatures vary between 5°C and 16°C and maximum temperatures can very easily reach 35°C, which makes this region very attractive for those who like heat, especially in summer and dispense with the typical coastal hustle and bustle.

In the nature of the Alentejo you can breathe free and pure air. It is a region rich in heritage, plains, mountains and beaches, which mix blue and green in its landscapes as far as the eye can see. Tourism Climate and nature are two of the main pillars of Alentejo tourism.

The calm and safety combined with the typical gastronomy and quality wines are the other factors that influence tourists to visit the Region. The low population density, seen as an advantage, influences the quality of public services, which are often more agile and effective.

In addition, it is synonymous with quality of life and ample room for growth in several areas yet to be explored.

Are you convinced? Take the opportunity to visit this property where you can develop your future real estate project. Consultant Hélder Correia Neto will be here to help you!
