Description:

As you approach Greta House, you are greeted by its stunning stone façade, beautifully complemented by mature trees and lush greenery. The driveway and garage offer ample parking, ensuring convenience for residents and guests alike. Upon entering, the bright and airy hallway sets the tone for the rest of the home, leading you to a variety of elegant living spaces.

To the right, the spacious living room is perfect for both relaxation and entertaining. Large windows flood the room with natural light, creating a warm and inviting atmosphere while offering picturesque views of the surrounding landscape. This room's design encourages both family gatherings and more intimate, relaxed moments. Flowing into the garden room, you will find a tranquil retreat where you can enjoy your morning coffee while taking in the serene views of the private garden. This versatile space can cater to many different needs, from casual dining to a peaceful reading nook.

The heart of Greta House is the sophisticated kitchen diner, equipped with top-of-the-line appliances, sleek countertops, and generous storage solutions. This space not only caters to culinary enthusiasts but also serves as a central hub for family activities.

Ascending to the first floor, you will find three of the five bedrooms. The master suite is a luxurious retreat featuring a spacious bedroom, a walk-in wardrobe, and a beautifully appointed en-suite bathroom.

This private sanctuary is designed for relaxation and rejuvenation. Another bedroom on this floor also benefits from an en-suite bathroom, offering convenience and privacy for guests or family members. The family bathroom is elegantly designed with modern fittings, ensuring a comfortable and stylish environment for all residents.

The second-floor houses two additional bedrooms, each with its own unique charm. The sloped ceilings and skylights create a cosy yet spacious atmosphere, making these rooms perfect for children, guests, or as a home office. The layout ensures ample natural light and stunning views of the countryside, enhancing the living experience.

The outdoor space at Greta House is a private oasis, featuring mature trees that provide shade and seclusion. The well-maintained lawn offers ample space for summer barbecues, a playground for children, or simply a peaceful spot to unwind. This garden is designed to cater to all family needs, providing a versatile and enjoyable outdoor living space.

Greta House is more than just a residence; it represents a lifestyle that combines the tranquillity of rural living with modern amenities. The property's location in an Area of Outstanding Natural Beauty offers endless opportunities for outdoor activities such as hiking, cycling, and horse riding, making it perfect for nature enthusiasts and active families.

The local area boasts excellent schools, ensuring top-quality education for children, and the nearby historic market town of Barnard Castle offers a range of amenities, including charming shops, cafes, and restaurants. The town is also home to the iconic Bowes Museum, a cultural gem that adds to the area's appeal.

In summary, Greta House offers a balanced lifestyle filled with comfort, luxury, and natural beauty. It is an ideal home for families, aspirational buyers, and those seeking a serene rural existence without compromising on modern conveniences. Don't miss the opportunity to make Greta House your forever home. Whether you're looking to enjoy peaceful walks, vibrant community life, or simply a beautiful home to cherish, Greta House is the ideal choice. Contact us today to arrange a viewing.
