Description:

Land Sulcitana

agricultural land with unfinished buildings, in Pula

At the entrance to the village of Pula, along the Strada Statale Sulcitana 195, we offer a large agricultural property with two unfinished buildings.

The Land Sulcitana is located at the first entrance to Pula along the Strada Statale 195.

The agricultural property is five hectares and includes two unfinished buildings of 250 sqm each, for 500 sqm totally. These buildings are partly registered as residential use, 125 sqm, and partly registered as laboratory and agricultural storage, 375 sqm.

The buildings are in compliance from an urban planning point of view and regularly registered.

The Land Sulcitana is located just two minutes to the village and 3 km to the beautiful beaches of Porto Columbu.

Considering the agricultural vocation of the territory, the proximity to the sea and to all the services of the village and the excellent visibility of the location facing the road, the property is perfectly suited to an agrotourism activity.

Exempt from the obligation of energy certification.

Price: euro 430000.
