Description:

10 minutes from Royan, in the heart of a typical and friendly town, all shops, port and beach within walking distance, garden house of approximately 900m2 divisible in a quiet area. This non-detached house requires a refresh and a complete updating. It has a sunny side living room/kitchen with its covered terrace, two bedrooms, a bathroom and separate toilet and a large garage which can allow the house to be extended. The interest of this property lies above all in the surface area of the garden, rare in the city center because it is close to amenities, with this possibility of division which lends itself to all projects.
