Description:

The detached house is located in a very well-kept neighborhood and offers plenty of space for families or couples. The kitchen and living and dining area form a light-flooded unit, with direct access to the large terrace, which invites you to linger comfortably with a view of the garden. The large garden is another highlight of the house. There are two bedrooms available: The first bedroom is equipped with a 180 cm bed. The second bedroom has two 90 cm beds. Both bedrooms have large windows that can also be darkened with built-in shutters for a good night's sleep. The house is rounded off by a spacious bathroom. In the basement of the house there is a tenant cellar and a laundry room with an individual washing machine. The house is in an excellent location: on the quiet, affluent outskirts of Cologne, within walking distance of the tram stop (U1) to Cologne city center (15-20 minutes). The A4 motorway exit (Refrath) is just a few minutes away, which also means you have good connections to the A3 motorway. The neighboring town of Refrath (Bergisch Gladbach) offers direct shopping opportunities and cafes/restaurants, as well as good schools and kindergartens. Behind the house is a horse farm, followed by a forest area that is ideal for walking and cycling.
