Description:

Located on Setúbal's waterfront, this development is the result of the refurbishment of a 19th century building and consists of four two-bedroom duplex apartments.

On the ground floor, the apartments have an equipped kitchen, a cozy living room, a guest toilet and a suite with a closet. On the upper floor, you'll find the master suite, with a bathtub and a generous closet.

The apartments offer excellent sun exposure, providing an abundance of natural light. They also have pre-installed air conditioning.

Located next to Setúbal's riverside area, this apartment is close to Avenida Luísa Tody, one of the city's main thoroughfares, and the iconic Livramento Market, recognized in 2014 by USA Today as one of the best fish markets in the world.

The city of Setúbal is just 30 minutes from Lisbon and the airport, and offers easy access to the stunning beaches of Arrábida and the charming village of Azeitão, rich in tradition and beauty.
