Description:

Carousel Homes are pleased to offer this 3 bedroom, 2 bathroom property built in 1987, set on a plot of 1057m². There is off road parking with garage, large barbecue area, a private pool and solarium. On the side, everything is on one floor. The living area is, which is generously sized, is accessed through a large glazed terrace and has all other rooms coming off it, including a separate dining area. There is aircon throughout and a solar powered hot water system.

The plot is large, with a barbecue area to the side of the house, which is big enough to accommodate 8 or 10 people easily and various spots for enjoying either the sun or the shade. Given that this house is in one of the most desirable areas of Ciudad Quesada, the atmosphere is very tranquil; However, the center of town is only a 10/15 minute walk away.

While it is true that this place could do with a little TLC, it is an excellent property for a price, and on a plot, which would cost at least double the asking price, were it a newbuild. We think it's a bargain. See it for yourself to decide.

Features

Air Conditioning
