Description:

A Brilliant Little Home in the Centre of Magnac Laval Close to All Amenities.

AGENCY FEES PAID BY THE SELLER

Set in the popular town of Magnac Laval, this property has a wealth of original features together with a nice little private courtyard to the back (just enough for a small table and chairs) and a larger garden just down the road. The garage/barn is directly across from the house giving great storage space.

The house itself is very tidy and has been maintained very well; one not to miss if you are looking to just move in!

The ground floor is open plan with a wood burning fire and a door at the back to a small, attached courtyard. On the first floor you have a good-sized landing, with doors to the bathroom, bedroom and stairs to the 2nd bedroom. The second bedroom is the same size as the downstairs living space and being directly above the bathroom, it is ideal to turn into a master suite with dressing and bathroom areas.

The town of Magnac Laval has all the amenities needed for everyday living including bars, restaurants

and supermarkets.

Limoges airport is a 50-minute drive; Poitiers airport is around 1 hour 20 minutes away drive. A 10-minute drive away is the train station at Le Dorat, where you can commute to Limoges or Poitiers in ease, the latter providing cross platform TGV connections to Paris, Bordeaux and other French cities plus Brussels and London (via Lille).

The property itself is on a road near the edge of the town, a hidden gem just waiting to be discovered.

The current owners bought the property as a bolt hole/holiday home in France; but the holidays turned into years, and they ended up moving to the house full time. Since then, they have bought a second home hence the sale of this one.

The house benefits from mains electricity, water and drainage, it has a wood burning fire in the main downstairs area. The water for the bathroom/shower and kitchen are heated by a gas heater which is 1 year old. Good internet connections as is expected in a thriving town.
