### Description:

This charming traditional Algarve villa, located in Sítio dos Quartos, between Loulé and Almancil, combines the charm of the old with modern comfort.

The house, despite being renovated, preserves the original features, such as the thick lime walls, the kitchen with the arcade of the old fireplace, the mosaic floor and the traditional tiles on the walls.

In addition to the two original bedrooms on the ground floor, the high ceiling height of the house allowed the extra space to be transformed into two more bedrooms, providing greater functionality.

The villa offers a warm and authentic atmosphere, perfect for those who appreciate the charm of the old. Rural and quiet area, this house is perfect for those looking for a house to live in or a refuge for their holidays surrounded by calm and tranquility.
