Description:

With an unbeatable location, directly on the seafront promenade, this two-bedroom apartment is a rare opportunity.

Located on the 4th floor, with panoramic views and the convenience of an elevator, the property offers ample space for relaxation and an unparalleled living experience.

Upon entering, you are greeted by a generous living and dining area, which connects to one of the two large balconies overlooking the sea.

The balconies, both large, are a true invitation to moments of leisure. One of them faces east, providing sun in the morning, while the other, facing west, offers sun in the afternoon. Imagine yourself watching the sunrise at breakfast and the sunset at the end of the day.

The kitchen is furnished and fully equipped.

The master bedroom has an en-suite bathroom and built-in wardrobes. In addition, it offers direct access to the balcony, so you can enjoy the view whenever you want.

The second bedroom, equally spacious, has built-in closets, offering plenty of storage space.

The second full bathroom provides even more comfort and practicality. And to ensure your well-being all year round, the apartment is equipped with air conditioning, double-glazed windows and a sound system.

Safety is guaranteed, with access to the elevator directly from the underground garage, where an exclusive parking space is reserved for the apartment.
