Description:
New Homes in Marbella!

Marbella, where life passes slowly, to give you time to live!

An innovative project with 96 homes of ample spaces connected with the environment and with different types in a maximum of three floors: ground floor with private garden and pool, first floor and penthouses with solarium (with an option of adding a private pool).

Residential boutique with a resort soul. A place where the greens join the blues: nature, sea, and horizon. Your new 5-star life backed up with amazing leisure and wellness services, excellent qualities, and sea views so your life is always surrounded by nature with a distinct healthy lifestyle. We invite you to pamper yourself and to find the perfect balance between life and living.

An elegant and modern development, with excellent specifications and premium wellness and leisure services.

All the apartments are oriented to the West to take advantage of the natural light and, at the same time, to

offer you a landscape with amazing views to the Mediterranean Sea, to the 18 holes of the Rio Real golf course, to the lively promenade and the lattice of the streets of Marbella, or to the impressive "La Concha" mountain and its Sierra Blanca, that it's the doorway to the well-known Sierra de las Nieves Natural Reserve.
