Description:

Exclusive Luxury Penthouse Typology 5.

Discover the perfect balance between sophistication, comfort and modern design in this magnificent type 5 penthouse. Spread over two floors, this unique residence offers large social areas, high-quality finishes and contemporary architecture, ideal for those who value refinement and functionality. With well-distributed spaces, elegant suites and a private terrace with a pool and barbecue, this penthouse provides an unparalleled living experience, with stunning views of the mountains and the surrounding gardens.

Property Description

First Floor

Upon entering this magnificent penthouse, an elegant entrance hall welcomes you and reveals a sophisticated and welcoming atmosphere. The kitchen, in an open space concept, integrates harmoniously with the living room and dining room, providing a large and functional space, with direct access to a balcony perfect for leisure time.

This floor also has a storage area and a hallway that leads to a guest bathroom, two suites with private bathrooms and an additional bedroom with window. An elegant staircase leads to the upper floor.

Second Floor

On the upper floor, a new entrance hall gives access to two spacious suites, both with dressing room, private bathroom and a shared balcony. In addition, the stunning Master Suite stands out, which offers a closet, private bathroom, office and an exclusive balcony.

For added convenience, the floor also has a laundry room. The kitchen, again in an open space concept, connects perfectly with the living room and dining room, which open onto a spacious balcony.

The great protagonist of this floor is the large terrace, equipped with a barbecue and a private pool, providing a perfect environment for entertainment and relaxation, with stunning views of the mountains and the surrounding gardens.
