Description:

We have recently taken on a lot of new agents in France who are adding hundreds of new listings every week, there is a delay in translating these listings into English but we are making good progress.

If you want any particular property listing translated or simply want more information then just use the 'Make an Enquiry' button or contact us via the property listing and we will prioritise the translation for you.

Apologies for the For Sale overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
